INTRODUCING EXCLUSIVE FLOOR PLANS

STACEE LYNN & BURROW'S COLLECTIONS

Meet your customers' functional, structural, and aesthetic needs

Barndominium popularity is booming and now post-frame builders can seize the opportunity with exclusive floor plans from Burrow's that align with homeowners' needs and desires. Whether your customer seeks an expansive high-end barndo or a simpler, traditional barndo, our exclusive floor plans have you covered.

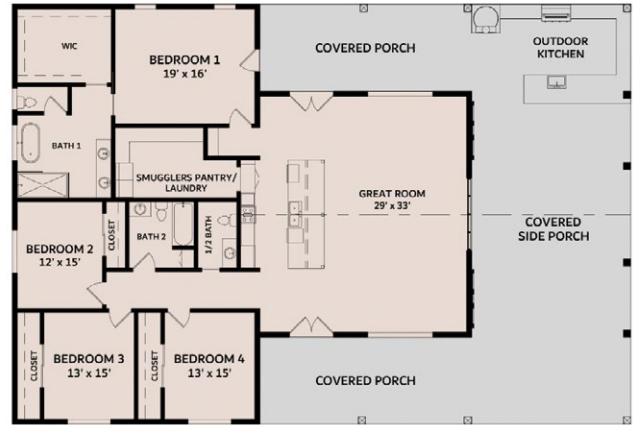

Facilitate and accelerate barndo design and construction

Successful barndo construction starts with floor plans that make your customer happy and make your job easier. Detailed floor plans take the guesswork out of building design and construction. You'll know where doors, windows, and interior walls will be located so you can design and build to fit the customer's vision.

STACEE LYNN COLLECTION

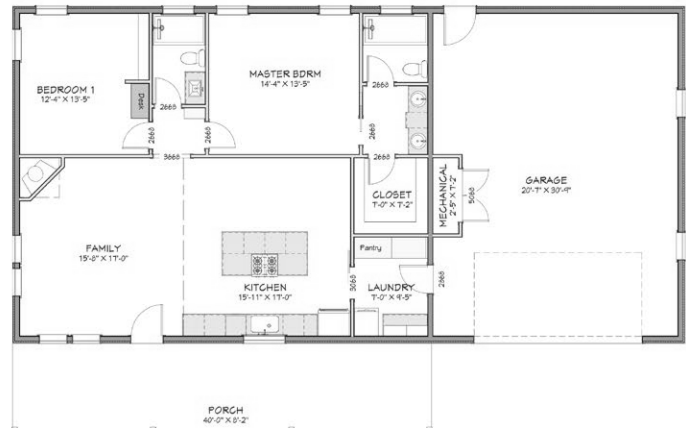

Known as The Barndominium Lady™, Stacey Lynn is a designer, contractor, and decorator passionate about barndo living. Her plans make optimal use of every space. Stacey's buyers enjoy luxury living in their farmhouse-inspired barndominiums.

THE BARNDOMINIUM LADY
